

My Story

Hebrew Free Loan Board member **Annie Cohen** feels strongly about HFL. "I love this agency," Annie said, "And I'm so proud of what we do. Even if I wasn't on the Board, I would want to be part of this. Anyone who has a passion for people and keeping our city strong should be interested in what HFL does for our community."

Annie was introduced to HFL by friends who were part of the Board and staff, and was captivated by the mission. "This is a hands-on group where Board members interact directly with the borrowers," Annie said. "We talk to real people with real faces and worries, from all walks of life. I love the hugs, the handshakes, being able to help others."

"Think about it: we all started somewhere in life, and maybe had some financial concern along the way – paying for school, beginning life after college, starting a family, or changing jobs. Each story is different, yet they're the same, because in the end, we're a community. We need each other."

The Power of Recycling

Hebrew Free Loan gives interest-free loans to members of our community for a variety of personal and small business needs. HFL loans are funded entirely through community donations which continually recycle to others, generating many times the original value to help maintain the lives of local Jews.
